Hello, Resurrection!

We have a NEW opportunity for you: Join our Neighborhood Campers in Tending their Garden!

What better way to learn about plants than to grow a camp garden. With the help of our special guest, Sharon Molina, our campers put together this beautiful garden (see pictures on the next page). They are excited to care for it and watch as it grows throughout the next month. We are looking for congregation members to help us care for the garden on non-camp days (Friday-Sunday). If you are willing to help, please feel free to stop by on one of those days to weed, water, or harvest. Anything harvested can be brought home, brought to Church on Sunday and then given to camper's families, or donated to local food banks (there will be a vegetable donation box near the Church entrance)!

A big THANK YOU to Christy and John Cline for assembling the garden bed itself and transporting the soil.

The Reconciling team would like to invite you to join them at the “Kenosha Pride Event” on July 6th. The event will last from 12:30pm-9pm and will take place at the Harbor Park Celebration Place which is located at 5501 Calabria Way in Kenosha.

Our Reconciling Team will have a booth at this event to share more information about our Church community and our ongoing work in Reconciling Ministry! They will have a sign-up sheet in the gathering area for those who are interested in volunteering to serve at our booth!

Additionally, our Reconciling Team has also created a survey with the hope to better understand what education is needed as we move into offering learning opportunities about Reconciling Works Ministry. These education opportunities will help us learn how to better care for those in the LGBTQIA+ and BIPOC communities. Please see the Reconciling Team’s table for a paper copy of the survey or simply scan the bar code at the table to fill it out digitally!
